1ST ANNUAL

National Traffic Safety Summit

February 10–11, 2027

Chandler Public Safety Training Center, 3550 S. Dobson Rd, Chandler, AZ 85248

2	4	14	4
days of training	specialized tracks	scheduled hours	meals included

FEATURED KEYNOTE SPEAKER

Dr. Travis Yates

Founder of FOCUS™ Tactical Behavior Science, 30-year law enforcement veteran and FBI National Academy graduate

Day 1: Traffic Stop Pre-Attack Indicators
Recognize behavioral cues predictive of roadside violence.

Day 2: Driving Survival
Reduce vehicle-related officer injuries through vehicle control, mindset and risk management.

Fridays with Frank

DON'T MISS

Title 28 Unfiltered

Stops & Interdiction with Fridays with Frank

Arizona Title 28 traffic stops and how they relate to interdiction, taught by Sgt. Chuck Schmidlin and Frank Sloup of the Fridays with Frank series.

Thursday, Feb. 11 | 13:10–14:35
Track 1: Patrol Traffic Operations

Choose Your Track

1. Patrol Traffic Operations
Legal stops, approach tactics, high-risk stops and pursuits, interdiction, street interviews and legal updates

2. Commercial Vehicle Operations
CVE refresher, hazmat interdiction, heavy haul, mobile crane transport and a patrol guide to CMVs

3. Vehicular Crimes & Investigations
Courtroom testimony, real time crime centers and ALPR, digital search warrants, forensic video and drone crash mapping

4. Motor Instructor and Riding Training
Instructional theory, risk management, student evaluations and riding drills on the outdoor pad
